PRESIDENT'S REPORT: Be sure to read Norm's Report later in this newsletter. It was too long for Page one.

TREASURER'S REPORT: Also appearing in this issue is a detailed Financial Report presented by our Secretary-Treasurer, Al Munro, at our Annual Meeting in Toronto during the CNA Convention in July.

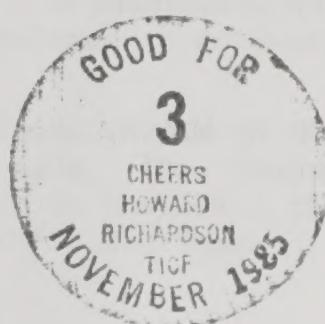

ARTICLES: This time my pleas for articles gets Page one treatment. I have been promised a few articles (the members know who they are!) and hope that a few other members will submit a short (or long) article for Timber Talk to be shared by all members. Why not jot down a few lines and sent them to the Editor.

CONGRATULATIONS: To Glen and Amber Littrell of Corpus Christi, Texas on their 50th Wedding Anniversary which was celebrated in July. This was the first CNA Convention in many, many years that at least one of the Littrell's was not present. Me missed you, but certainly understand your absence. We look forward to seeing you in Calgary next July.

WOOD CATALOGUE: I hope all members are sending information on new issues plus older discovered wood to Howard Richardson, 22 Sophia Drive, Scarborough, Ontario M1H 1Z4 Canada. Although Howard is compiling the catalogue and supplements, he is doing it for the collectors at large and it can only be as good as the information we supply!

## FREE WOOD OF THE MONTH:

Thanks to Howard Richardson for this month's free wood. It is his "Good for 3 Cheers" wood handed out at the November 1985 TICF show in Toronto. That side is printed in red. The TICF logo side is hot-stamped in what appears to be a brown color. Once again, thanks Howard.

FINANCIAL STATEMENT OF CAWMC as prepared by our Secretary-Treasurer, Al Munro and presented to our Annual General Meeting during the CNA Convention in Toronto on July 27, 1986:

Presidents C.N.A. report;

Well the 1986 C.N.A. and C.A.W.M.C. meeting are history, and I hope all that were able to attend enjoyed themselves as much as I did. Time to start planing for Calgary next year. The C.N.A. featured many trading sessions in various rooms and hotels, as some booked hotels close by, One of the sad parts of the show was that several members were ill just before and during the show. Walter Loudon had an operation, Vic Borrow was taking treatments, John Brennan still fighting his cancer just before the show, and Paul Johnson, and Al Bliman both became ill during the show and are on the mend. I am sure they would all appreciate it if the members dropped them a little note. The C.A.W.M.C. Breakfast was well attended by fourty members and guests, the new supplement was unveiled, and a lot of woods were passed out. The treasurers report was read and accepted, there was a report on life membership, but it was felt that at this time the work and cost to administer it was not worth it. The meeting was followed by a lively auction conducted by Garry Braunwarth, and recorded by Al Munro, with Gary Silkstone as runner, that made almost \$200.00 for the club. I think that the Convention was well attended by members from all across Canada, and the United States, who I enjoyed meeting and talking with, and look forward to seeing again.

Happy Collecting

Norman Belsten  
President C.A.W.M.C.

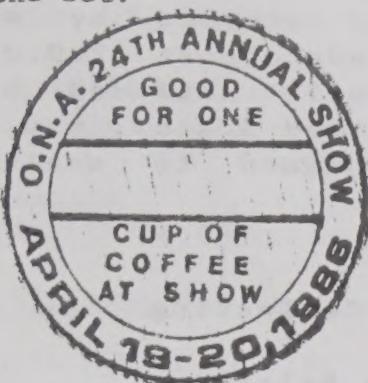

EDITOR'S NOTE: Norm's Report should have appeared last month, but I was a wee bit early with Timber Talk, hence it's appearance this month. Norm always invites comments from members, on any issue related to collecting wood and CAWMC. Feel free to drop him a line.

CLASSIFIED ADS: Classified ads from members are printed (as space permits) at no charge to members. They may be 'For Sale,' 'For Trade,' or 'Wnated,' etc. Just send them to the Editor. Some members to publish a list of wood for sale and from time to time we print extracts from their listings.

CNA WOOD: Jerome H. Remick of Box 9183, Ste-Foy, Quebec G1V 4B1 Canada issued a CNA wood flat that was designed and printed by Vic Borrow. It is shown below. If you did not get one the cost is 50¢ + SASE for Canadian collectors and 50¢ + 40¢ postage for U. S. collectors. Mintage is 100.

AN INTERESTING SET OF WOOD: Brantford issued a four color set of wood for the O.N.A. 24th Annual Show April 19-20, 1986. Three are hot-stamped blue, red, and green and appears at the lower left. The other is printed in black with only 100 issued. It was used for those taking a bus ride and appears at the lower right and is the rarest of the set.

WOODEN PINS: Do we collect wooden pins? Some of us do, some of us don't. Below are pictured a few that were used in 1980 in Alberta. Some say 'Wild Rose Country.' It appears that they were all made by H & E Handcrafts of Box 125, Big Valley, Alberta TOJ 0GO. Towns on these woods are: Rimbey, Big Valley, Three Hills, Linden, Acme, Drumheller, Sylvan Lake, Eckville, Consort, Vets, Bentley, Killam, Stettler, Delia, and one for 'West End Esso.' Thanks to George Parfet for the information. The pictures below show a loop at the top of the wood, so perhaps these were made to be put on a chain.
